Reptile Lovers Gather at Repticon's Reptiday Winston-Salem!

Winston-Salem, NC - December 3, 2016 - Brought to you by the same team that has produced Repticon reptile expos across the country for the past decade, ReptiDay will feature everything that Repticon's 2-day shows offer, all packed into a single day. ReptiDay features the same unique blend of vendors and breeders, offering hundreds of reptiles, amphibians, invertebrates, spiders, and small exotic animals to area enthusiasts. Top breeders and vendors will have animals, merchandise, cages, supplies, live and frozen feeders, and much more, as well as offer their expert advice about the animals, their habitats, feeding, and care.

In addition, world-class seminars by industry experts will educate and entertain throughout the day. Many of the seminars feature live animals with an opportunity for guests to interact with them. Free-entry raffles are held frequently during the event, offering guests the opportunity to win coveted prizes.

This event, held at the Winston-Salem Fairgrounds, offers great family entertainment which is suitable for all ages and for a very diverse range of enthusiasts.
